

# Annual Sponsorships

Annual sponsorship provides vital support for students and educators in the Snohomish School District. Your sponsorship helps fund classroom grants, student scholarships, and essential district-wide programs like Summer Academy, the Hansen Shoe Fund, and essential needs grants, as well as new career pathways, including the SEF Trades Initiative.

**Make a Difference Today!** To secure or renew your sponsorship contact [erica@snoed.org](mailto:erica@snoed.org) or call 360-568-5292.
